Welcome to Big Meadows Campground. Camping in Shenandoah National Park can be a fun and rewarding experience. Remember that you are sharing this space with plants, animals, and other campers. Consideration and cooperation are important.

### Obtaining a Campsite

Big Meadows Campground accepts reservations during peak seasons, generally from late spring through early fall. It operates on a first-come, first-served basis in early spring and late fall. Reservations can be made up to 6 months in advance by calling 1-877-444-6777 or online at [www.recreation.gov](http://www.recreation.gov). The cost for campsites is \$20/night in peak seasons and \$17/night during early spring and late fall. Camping fees are not refundable. Stays are limited to 14 consecutive days during peak seasons and 30 consecutive days during early spring and late fall. Checkout time is 12:00 noon. Clip your camping pass to your site post to show occupancy.

### Campsites

Each campsite is equipped with a picnic table, fire grate, and parking area. Electric and water hookups are not available. Campsites are limited to 2 tents, 6 people, and 2 vehicles (including RV) per site. Vehicles must stay on paved/graveled areas. Walk-in sites are for tents only and require a short walk to your campsite. Please do not trench your tent or put nails in trees.

### Quiet Hours and Generators

**Quiet hours are from 10 p.m. to 6 a.m.** Generators may be used from 8 a.m. to 10 a.m. and from 4 p.m. to 7 p.m. From October 15 through April 14 generator hours may be extended from 7 p.m. to 9 p.m. for the purpose of generating heat. Generator use is prohibited in sites designated as "generator-free" and in group sites.

### Group Sites

There are two group sites in the campground. Sites D163 and D167 are reservable by calling 1-877-444-6777 or at [www.recreation.gov](http://www.recreation.gov). These sites can accommodate 7-15 people and are equipped with picnic tables, fire grates, and parking areas. One group site has a wheelchair accessible picnic table and a raised fire grate. The cost for each site is \$45/night.

### Food Storage and Wildlife

This is bear country, and deer, raccoons, and skunks are also year-round residents. Store all food, including pet food, out of their reach. Put food and coolers in your vehicle, in designated food storage bins, or on a food storage pole. It is illegal to feed, frighten, or disturb any wildlife. All resources such as wildflowers, plants, animals, and artifacts are protected by law in national parks. Please leave them for others to enjoy.

### Campfires

You may gather dead wood that is down on the ground. Do not cut, saw, or break any standing trees, dead or alive. Fires are allowed only in designated fire grates. Do not build rock rings or burn trash in the grate. Never leave fires or hot coals unattended and extinguish completely before leaving.

### Sanitation

Wash dishes at your campsite, not in restrooms or water fountains. Strained dishwater must be disposed of in the utility sinks in the restrooms. Dispose of food particles in trash bins, not in the sink drains. Sewage and wastewater from trailers and RVs must be emptied at the dump station, approximately  $\frac{1}{4}$  mile from the campground. Water is a precious and limited resource, especially on top of the mountain; use it wisely. Please sort and place all trash and recyclables in the appropriate bins.

### Campstore, Laundry, and Showers

Shenandoah National Park operates the campgrounds. ARAMARK, the official park concessioner, operates the showers, laundry, and campstore. See the map for the location of these buildings. Showers and laundry machines take quarters. A change machine is located by the showers. Wastewater treatment is an expensive undertaking in Shenandoah National Park. Your quarters help return clean water to the park environment.

### Vehicles and Bicycles

All roads in the campground are one-way and the speed limit is 10 mph. Keep all vehicles, including motorcycles and trailers, on paved areas at all times. Bicycles are permitted on paved areas only. Additional parking is located at the laundry/shower area.

### Recreation

Be sure to check the schedule of ranger-conducted activities in the park visitor guide, *Shenandoah Overlook*. Visitor centers have exhibits, maps, videos, publications, and hiking information. Byrd Visitor Center is approximately 1 mile from the campground. Dickey Ridge Visitor Center is at mile 4.6. Skates, rollerblades, skateboards, horseshoes, fireworks, and all weapons are prohibited. Pets must be on a leash no longer than 6 feet. Do not leave pets unattended, and clean up after them.

### Emergencies

Contact rangers at the registration station or the campground hosts at sites A57 or I218. You may also use the pay phone by the showers to call 1-800-732-0911. The nearest hospital is located in Harrisonburg, 15 miles south on Skyline Drive, then 22 miles west on U.S. 33.

Leave No Trace Preservation through education: building awareness, appreciation, and most of all, respect for our public recreation places.
